

# JOE BUCHANAN

Over thirty years of experience in the waste removal and disposal business with additional management and leadership related to hauling operations, transfer stations and a MSW landfill for the past ten years. Highly innovative in problem solving and integrating efficient systems. Looking to leverage my expertise and skill set to profitably grow an environmental business.

## WORK EXPERIENCE

**Freedom Waste Service, LLC.** West Kentucky Market Area *President and Managing Partner* December 2007 – July 2018

- Led four business locations and all lines of business from residential to special waste in the landfill
